Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

98N-1265 JUN -1 A10:42

→ I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have been receiving by mail
a compounded ^{hormonal} prescription from Madison
Pharmacy for the last 4-5 years. The pharmacy is
providing me with the service I need the
most. I want to continue with Madison Pharmacy
in this manner - it is of the utmost importance for
my health in my menopausal years. ^{my doctor wants me to have} this medication.
I oppose the draft M.O.U. -- I object to
definition of "inordinate amount" which restricts
availability as stated above.
